REFERENCE LETTER

To whom it may concern

This letter serves to confirm that **Technology Wisdom**, based in Pakistan, has successfully completed an assignment for the **Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) GmbH** under Contract No. **81313908**, implemented by the Partnerships for Prevention of Gender Based Violence in Southern Africa Project, Namibia component on behalf of their political partner, the **Ministry of Gender Equality and Child Welfare (MGE CW)** of the Republic of Namibia.

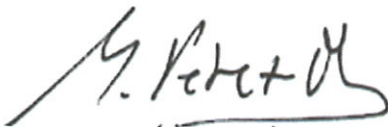

The assignment involved the design, development, deployment, and handover of a digital platform supporting national service delivery and awareness efforts. The scope included system architecture, UI/UX design, backend and API development, testing, documentation, user training, and technical capacity building for Ministry and project partners.

Throughout the implementation, Technology Wisdom demonstrated strong technical competence, reliable project management, and professional collaboration with all stakeholders. Deliverables were completed to a good standard, aligned with agreed timelines, and supported by clear communication and responsiveness.

We also acknowledge the team's flexibility and commitment, including their readiness to provide assistance beyond the contracted scope to ensure a smooth handover and operational sustainability of the system.

Based on our experience, Technology Wisdom is a dependable and capable partner for assignments involving digital transformation, software development, and capacity-building support within development cooperation contexts. We wish them continued success in their future engagements.

Kind regards
